The image shows a mobile application registration form titled "Complete info". At the top, there is a status bar with icons for eye, alarm, Wi-Fi, signal strength, 49% battery, and the time 11:08. Below the title, there is a grey square placeholder for a profile picture. The form contains three text input fields: "First name", "Last name", and "Enter zip code". Below these fields are two radio button options: "Male" and "Female". At the bottom of the form, there are two teal buttons: "Skip" and "Submit".

6. Please click “Add”.

Sign up succeeded!

Welcome to golo carcare! Create the car file and activate golo box, you will have more functions.

The image shows two buttons at the bottom of the screen. On the left is a grey button labeled "Skip". On the right is a teal button labeled "Add", which is highlighted with a red rectangular border.

7. Enter your car information carefully, serial number and activation code of your golo carcare adapter, after that, click hook to finish.

The screenshot shows a mobile application interface for entering car information. At the top, there is a status bar with icons for eye, alarm, Wi-Fi, signal strength, 48% battery, and the time 11:08. Below the status bar is a header bar with a back arrow and the text '< Car Info'. In the top right corner of the header bar, there is a red arrow pointing to a checkmark icon inside a red square. The main form consists of several sections: 'Car label' with a text input field containing 'Make a name for your car'; 'Car Make' with a right-pointing arrow; 'Model' with a downward-pointing arrow; 'Transmission' with two buttons, 'M' (selected) and 'A'; 'Displacement' with a text input field and a dropdown arrow labeled 'L'; a grey bar with the text 'If you have golo box, please activate it'; 'S/N' with a text input field containing 'Serial number'; and 'A/C' with a text input field containing 'Activation code'. At the bottom of the form, there is a large grey rectangular area.

**Warning:** You can modify the vehicle info for only one time, please check the info before go to next step.
